Resolved, 3d, That each preacher having or receiving funds for the Society be requested to pay the same to the Treasurer of the County Bible Society, and take his receipt. W. G. THORN, Sec'y.

III. STATE OF THE CHURCH.

With profoundest gratitude to Almighty God, we recognize the presence of the Great Head of the Church still dwelling in our Zion as a "cloud by day and a pillar of fire by night." We have cause to praise God that the Holy Ghost still blesses His word as taught and preached in our homes and pulpits ; that sinners are convicted and believers sanctified in answer to prayer ; a high standard of Christian attainment is aimed at ; our membership generally faithful, and "our people die well."

Yet we must lament the indications in many places of a growing worldliness and lack of spirituality in the type of Christian character being developed. There is serious cause to fear that culture is being substituted for piety, and prudential means for God's agencies, with a marked tendency to recognize and use the church as a social badge rather than a militant host.

We call attention to and deplore the tendency to destroy the distinctive features of Methodism by a sentimental liberalism which concedes that there is no difference between other churches and our, own thus

relinquishing our forms and points of doctrine, on which has always hung the glory of our denominational strength, which is in danger of being exchanged for a weak and ephemeral form of religion with little or no aggressive force.

The great lack of conformity to the Discipline of the church evinces a deep sleep of conscience which ought to be broken.

We most earnestly ask the attention of our preachers and people to these things, that we grieve not the Holy Spirit, and find ourselves as a people "weighed in the balance and found wanting."

J. T. SIMMONS, Chairman.

IV. REPORT OF CHURCH EXTENSION SOCIETY.

Whereas, We deem the work of church extension very intimately connected with our missionary work; for our work promises permanency only where there are places of worship provided; therefore,

Resolved, 1st, That to the very best of our ability we will place this before our people as an enterprise of the very highest importance in our efforts to extend the Kingdom of Christ.

Resolved, 2d, That it is the sense of this conference that the business of the parent board has been wisely and successfully administered, and that we hereby pledge our confidence and co-operation.

▲—REPORT OF THE SECRETARY OF THE BOARD OF TRUSTEES OF THE IOWA WESLEYAN UNIVERSITY.

To the Iowa Annual Conference, held in Burlington, Iowa, September 3d, A. D. 1879.

DEAR FATHERS AND BRETHREN. In laying before you this my annual report, for the college year ending June 13th, A. D. 1879, I am happy to be able to say that the past year has been one of signal harmony, prosperity and success.

Under the wise and prudent management of its President, Rev. Dr. Spaulding, all the interests of the University, in the department of instruction, have been so carefully fostered as to gladden the hearts of all its friends and to inspire them with both confidence and faith in the grandeur of its future career.

THE FINANCIAL OUTLOOK

At present is much more encouraging than it has been for some time past. At a meeting of the Trustees, a year ago, the board, recognizing "the imperative necessity of bringing the expenditures of the institution within its income," referred this matter to a select committee, consisting of Brothers Wheeler, Work, Cowles, Pillsbury and Byrkitt, who reported that the desired object could only be reached by "either reducing the number of teachers, or reducing their salaries, or increasing the income of the

institution." Owing to the stringency of the money market, it was thought impossible to do the latter so as to meet the demand, and after careful deliberation the board resolved to diminish the number of teachers and ask the faculty to do for the time being extra work, so as to carry the institution over the hard times and until the endowment could be increased and means secured to employ a stronger teaching force. They accordingly rearranged the faculty, and instructed the President to "so provide from the corps of professors as to meet all the wants of the preparatory department." This was done, and the year was one of harmony, prosperity and success—the income having exceeded the expenditures by about five hundred dollars.

The Board of Trustees met in annual session, June 13, A. D. 1879, and elected—

Hon. James Harlan, President.

Thos. E. Corkhill, Secretary.

W. I. Babb, Treasurer.

Vice-President—W. F. Cowles.

Financial Secretary—Thos. E. Corkhill.

Executive Committee—E. L. Penn, W. I. Babb, W. J. Spaulding, Charles Snider.

They also appointed a Committee on Endowment, from whose report I make the following extract, to-wit:

Resolved, That there is wealth enough in the various societies within the bounds of the Iowa Conference to supply all the financial needs of the institution, if our people could become suitably interested in the same.

Resolved, That in order to have the preachers interested, and through them to interest the people, the board appoint one or more of its members to lay the subject before the Conference at its coming session.

In pursuance of this, the Board appointed its President and Secretary to attend to this duty.

The board also adopted a resolution asking that the Bishop appoint an Agent for the Iowa Wesleyan University.

And also the following, to-wit:

Whereas, It appears from the reports laid before this board, that the secured and reliable endowment fund yielding an annual income of ten per cent. per annum, amounts in round numbers to forty-three thousand dollars, and that unsecured endowment notes, now in the hands of the institution, if properly managed, might be made to yield ten thousand more, making an aggregate of fifty-three thousand dollars; therefore,

Resolved, That an effort be made to secure an additional forty-seven thousand dollars.

And to this end the Board of Trustees respectfully request the cordial co-operation of the Presiding Elders and Pastors of the several districts and charges in the Iowa Conference, together with the agent to be appointed, to raise an average of \$7,833.33 $\frac{1}{2}$ per district within the next two years, in such way as they may, in their district conferences or associations, devise.

Degrees were conferred as follows, to-wit:

The graduating class of the past year consisted of fifteen persons.

7 received the degree of A. B.

8 received the degree of B. S.

9 persons received the degree of A. M. in course.

11 persons received the degree of M. S. in course.

1 received the honorary of A. M.
 1 received the degree of D. D.
 1 received the degree of Ph. D.

As shown by the catalogue there were 171 students in school during the year, of whom 84 were in the regular college department.

According to the provisions of the charter, the term of one class of trustees now expires, and it will become the duty of this Conference to supply their places.

Those whose term of office now expires are: I. A. Bradrick, W. F. Cowles, W. A. Work, Charles Snider, Miss Phebe Elliott, and Henry Ambler.

Also, a letter has been received from Hon. F. T. Campbell, tendering his resignation as trustee.

The following is a brief exhibit of the funds of the University, to-wit:

From the foregoing it would appear that the real money value of the Iowa Wesleyan University over and above all liabilities might be safely set down at one hundred and eight thousand nine hundred and seventy-six dollars and seventy-six cents—\$108,976.76.

These facts should inspire every heart with earnest hope and trust for the future success of our noble institution.

When we consider the years of failure of crops, and financial pressure, through which we have just come—years that have filled the land with embarrassments and bankruptcies—it is by no means surprising that we should find a small debt against the Iowa Wesleyan University.

Your Secretary would close his report by reminding this Conference that when it received this institution from a private corporation as a gift, that it gave a solemn pledge that it should be made an institution of highest grade.

To faithfully redeem this pledge she has been laboring for years. And so far as thorough drill and instruction in the school is concerned, she has kept her promise. And her students, on going out from her halls to engage in the activities of life, have been able to stand abreast with those of the oldest and wealthiest of the land.

But before our institution can fully accomplish her mission, she must be more fully endowed.

She greatly needs at present not less than fifty thousand dollars in addition to the amount on hand at this time.

To provide for these wants will become the duty of this Conference.

All of which is respectfully submitted.

THOS. E. CORKHILL, Secretary.

C—COMMITTEE ON EDUCATION.

The Committee on Education, after careful consideration of the recommendation of the Board of Trustees of the Iowa Wesleyan University, for the appointment of a financial agent for the College for the coming year, would recommend that the Conference request the Bishop to appoint such an agent.

Having examined thoroughly the communication from the Trustees and Faculty of the Garrett Biblical Institute, and the presentation of the financial interests of the Institute by its very efficient agent, Dr. W. C. Dandy, would recommend that the members of this Conference take a collection in their charges the coming year for the current expenses of the Institute.

W. J. SPAULDING, Chairman.

D—REPORT OF THE VISITORS TO THE IOWA WESLEYAN UNIVERSITY.

The committee attended the examination of the students, and were present at each session of the Board of Trustees.

The Committee are well satisfied as to the proficiency of the pupils and the thoroughness of the instruction. We believe that the Faculty are laboring to promote the best interests of the institution. The financial condition of the University is somewhat improved, and we believe it might be much more improved by special attention to the collection of old notes and taking measures to increase the number of students.

The existence and prosperity of the institution are imperatively necessary to the success of Methodism and education in the bounds of the Iowa Conference, but we believe great indifference exists among our people concerning this matter. This ought to be removed and confidence ought to be restored.

The work is well done, and the institution should receive the hearty support of both pastors and people.

The appointment of an agent, the collection of old notes, the renewal of outlawed obligations, and something for the endowment fund from all the preachers, will help greatly.

VII. FREEDMEN'S AID.

The Freedmen's Aid Society of the Methodist Episcopal Church present, in their last annual report, facts and figures indicating the successful prosecution of the work assigned it. In the twenty-eight Conferences in the South, one-half are composed principally of colored members.

The Society has aided in the establishment of ten chartered institutions of learning; among them three theological schools and two medical colleges. It has also aided ten institutions not chartered. In all these the

number of students during the year in the various departments amount to two thousand nine hundred and forty. Great improvement has been made in the intelligence of the students; also in their moral and financial condition.

No people are more liberal, according to their means, in supporting the church in all departments of religious enterprise than are the freedmen. Yet with all that has been accomplished for the elevation of this people, much remains to be done. The cause is worthy of greater effort and more liberal support.

We would therefore remind our brethren of the duty of presenting this cause at a favorable time in the coming year, that every dollar of the twelve hundred dollars apportioned to this Conference may be raised.

W. H. HORN, Chairman.

VIII. PREACHERS' MUTUAL AID SOCIETY.

ARTICLES OF INCORPORATION.

We, your Committee, appointed at the last session of the Iowa Annual Conference to draw up Articles of Incorporation for a PREACHERS' MUTUAL AID SOCIETY, present the following report for your adoption:

ARTICLE 1. D. Murphy, G. N. Power, J. Wheeler, J. C. W. Coxe, F. W. Evans, and their associates and successors, who may hereafter become members of the Association, as provided for in the following Articles, form themselves into a body corporate, under the name and title of "THE MUTUAL AID SOCIETY" of the Iowa Conference of the M. E. Church. The aim of this Association shall be more adequately to provide for our families in case of our decease.

ARTICLE 2. This Society shall have power to sue, and be sued; to acquire and hold, by deed, by devise, or by will, or by any other lawful way, real and personal property, for the purposes set forth in Article first.

ARTICLE 3. The officers of this Corporation shall consist of a President, Vice President, Secretary and Treasurer, together with five others, the whole constituting nine Trustees, who shall be elected at the annual meeting to be held on the second day or evening of each annual session of the Iowa Conference.

ARTICLE 4. Any member of said Conference may become a member of this Association by signing these Articles, and paying to the Treasurer the sum of Five Dollars. The money thus paid shall be a Reserve Fund for the purposes set forth below in these Articles. In addition to this, on the first day of every annual session, each member shall pay annual dues to the amount of two dollars, which shall be used as a Reserve Fund, for the purposes set forth below.

ARTICLE 5. Any lay member of the Methodist Episcopal Church, or other person, may become an honorary member of this Society by paying one dollar membership dues, and two dollars on the decease of any of the members of this Society; provided, however, that such honorary member shall not be entitled to any of the benefits of this Society, because that their honorary relation is sought by them with the laudable desire to assist in increasing the funds of this Society, and thus aiding their ministers' families.

ARTICLE 6 On the death of any member of this Association, his heirs

or assigns shall be entitled to, and receive from the Association, a sum of money equal to five dollars for each member thereof, together with a sum equal to the whole amount paid into the Reserve Fund by the deceased member, and the interest on the Reserve Fund as provided in Articles eleven and twelve.

ARTICLE 7. For all payments to the proper claimant, or claimants, the Treasurer shall require an order, signed by the Secretary, and countersigned by the President; and the time and place for the settlement of all claims shall be at the regular session of the Annual Conference.

ARTICLE 8. In case a member fails to pay his assessment at the Conference session, he shall forfeit his membership in this Society, and all rights therein whatever; and the Treasurer shall be authorized to draw from the Reserve Fund of the Association, and pay to the heirs or assigns of the deceased member a sum sufficient to offset the loss occasioned by such defaulting member.

ARTICLE 9. The principal place of business shall be Ottumwa, Iowa, and as far as possible the Trustees and other officers shall be selected from persons in that vicinity.

ARTICLE 10. There shall be no salaried officers, except that the Association should appoint an Agent. In that event, his compensation shall be settled by law.

ARTICLE 11. The Reserve Fund shall consist of initiation fees, annual dues, bequests, donations, and other productive assets of this Association, the interest of which shall be divided among claimants as provided in Article 13.

ARTICLE 12. The Reserve Fund shall be loaned or invested at the best rates possible, and the accruing interest thereon shall be used to defray the expenses of conducting the Society; and the remainder of said interest shall be paid into the Reserve Fund, in case there be no death loss; otherwise it shall be paid, with the assessments, to the legal claimant or claimants.

ARTICLE 13. The Treasurer shall give bonds to the amount of the whole of the moneys in the treasury.

ARTICLE 14. These Articles of Incorporation may be altered or amended at any regular meeting, by a two-thirds vote of the members present; provided, one year's previous notice has been given of such an intention.

D. MURPHY, Secretary.

IX. PERIODICALS.

Your Committee, to whom was referred the subject of Periodicals, beg leave to report:

The printing press has come to be one of the mighty agencies of the world, whether used for the propagation of error, or of the truth. We see our land to-day literally flooded with a pernicious literature. Our church, fully recognizing this fact, has wisely brought the press into requisition in the production of a literature that is wholesome to public moral, and promotive of private religious life.

As members of the Iowa Conference we hereby express our most cordial approval of the economy of our church in providing for its ministry and membership a pure, chaste, and elevated Christian literature, adapted to

their various necessities. We believe that in purity of tone, in literary merit, and in their adaptation to the wants of the people, the productions of our presses are excelled by none.

As pastors we are deeply sensible of the fact that our church periodical literature is a factor of great influence in the prosecution of our work. The circulation of our periodicals gives an increased impetus to every Christian enterprise. They become to us, therefore, indispensable aids. While we do not discourage our people from reading the secular journals, but rather *encourage* them in reading those which are wisely chosen, we *do feel* that this ought not to be done at the expense of and to the exclusion of the church paper.

We feel proud of the high character and the distinguished ability with which our church periodicals are conducted as a whole.

We most heartily commend our *Quarterly Review* to all our ministers, both young and old. The distinguished ability with which it is edited, and the very able reviews of new publications which it contains, ought to make it well nigh indispensable to us.

We desire also to see the *National Repository* increasing more and more in its circulation and in favor with the people.

We recognize in the *Central Christian Advocate* an ably conducted church journal; and hereby express our increasing appreciation of Dr. Fry's efforts to make just such a paper as we need. We are happy to know that the *Central* grows steadily in favor with the people. We shall deem it our duty to continue to faithfully recommend it to our people and urge them to subscribe.

We shall hail the day when sound business principles will justify our publishers in materially reducing the price of our periodicals, but until it can be done safely, we believe interest and duty demand that we should take them at the price.

We specially insist that our Sunday school publications are as cheap as any in the market of equal merit, and are fully abreast with the Sunday School thought of the world, and as Methodists we should feel it a duty to patronize our own publications, in supplying our schools, in preference to all others.

J. W. CHENEY.

JOHN HAYNES.
D. MURPHY,

X. THE OBSERVANCE OF THE SABBATH.

The Committee to whom the subject of the Observance of the Sabbath was referred respectfully present the following recommendations:

1. That reverence for the Lord's Day should be earnestly inculcated by the ministry in its public and private teachings, and faithfully enforced in its administration of discipline.
2. That the custom of railroad and other corporations continuing their business during the Sabbath, should be condemned as a double crime, being a sin in itself and a wrong against the employes of such corporations, requiring them to desecrate the Sabbath and depriving them of the advantages of religious services.
3. That Camp-Meetings should not be held over the Sabbath.
4. That Christian people should not patronize periodicals that are published on the Sabbath.

5. That the civil law should be enforced against those who violate its requirements with regard to the Sabbath.

J. G. THOMPSON, Chairman.

J. T. MCFARLAND, Secretary.

4. That we endeavor to promote the introduction of the Sunday School literature of our Book Concern in preference to that of other houses.

5. That we discourage the idea that the Sunday School is the "children's church," and endeavor to induce the attendance of the children and youth of the Sunday School upon the regular services of the church.

We suggest the following persons to make addresses at the next anniversary of the Conference Sunday School Union, viz: J. T. McFarland and J. W. Robinson.

E. J. PIKE, Secretary.

XIII. TEMPERANCE.

Whereas, The traffic in, and use of, intoxicating beverages are attended with evil, only evil, and that continually, carrying evil to the body, mind and soul of the individual, evil to the body politic, impeding national development as well as tearing down the monuments already erected; staying individual achievement, as well as prostrating in the dust that which had been secured; defying religious reforms, as well as corrupting the good that had an existence; and

Whereas, The old methods of temperance work have been superseded by a reform movement of which the Lord God is the recognized author, and which is led on under His sanction by the representatives of the Christian Church; having already achieved results that promise the ultimate redemption of the nation from this the greatest blight of our age; therefore,

Resolved, 1st, That we cheerfully reaffirm our fidelity to the temperance principles we have set forth from year to year: (which means *prohibition*, both to manufacture and sale, and total abstinence from the use—as beverages—of all alcoholic liquors.

Resolved, 2d, That we recognize the drunkards best hope, as well as that of the cause we advocate, is in the religion of our Lord Jesus Christ, "who is able to save them to the uttermost who come unto God by Him," whether drunkard or transgressor in any other way.

Resolved, 3d, That we congratulate ourselves as citizens of the commonwealth of Iowa on coming into line with the banner states of the republic on the temperance question.

Resolved, 4th, That in voting for civil officers we will be careful to vote for no man known to favor the manufacture, sale or use of intoxicating liquors as a beverage; and that as pastors we will warn our people against voting for such men.

Resolved, 5th, That we believe every Christian man and woman in the land ought to be committed to temperance, and we hereby pledge our-

selves to do our duty, as far as we have information and ability, to secure such committal on the part of those with whom we associate in our several fields of labor.

F. W. EVANS, Chairman.

A. MCCLINTOCK, Secretary.

XV. TOBACCO.

Resolved, 1st, That we are as much as ever convinced of the growing evils resulting from the use of tobacco, and believe that it is in antagonism with the Christian life, a needless and sinful expenditure of money, and that it lessens the influence and hinders the usefulness of those who indulge in it.

Resolved, 2d, That it is the sense of this Conference that those who are received among us on the condition of their freedom from the use of tobacco should consider their pledge in this matter of perpetual obligation, and that a mere temporary cessation, followed by a resumption of the practice, is a violation of good faith.

Resolved, 3d, That we do most earnestly and affectionately entreat all of our brethren, whether ministers or laymen, to unite in earnest effort to banish this great evil from our midst.

J. B. HILL, Chairman.

XVI. TRACTS.

Resolved, 1st, That we recommend the liberal distribution of the many

Tracts published by the Tract Society of the Methodist Episcopal Church.

Resolved, 3d, That each charge take a collection for the Tract cause.

W. E. PATTERSON.

XVII. WOMAN'S FOREIGN MISSIONARY SOCIETY.

Whereas, The Woman's Foreign Missionary Society, by its increasing activity, is demonstrating its efficiency in supplying a great need in foreign fields; and

Whereas, It is not intended to interfere with other agencies, but to assist in redeeming the world, and

Whereas, The Society has enjoyed a healthful growth in the number of its auxiliaries, membership and contributions, until it is now second to none; therefore,

Resolved, 1st, That we are in hearty sympathy with its work, and will give our cordial support in forwarding the interests of the Society in the bounds of our charges.

Resolved, 2d, That we commend the earnest Christian labors of Sister Jennie Beck, and the faithful Christian women of our Conference connected with this work.

Third—That we favor the introduction of Lay representation in the Annual Conference.

Fourth—We are informed that on the division of the Iowa Conference, in 1855, there was a contract that when the Upper Iowa Conference was settled up so that its towns should be equal or superior to those of the Iowa Conference in population, the cities of Davenport and Iowa City should fall into the Iowa Conference; therefore, be it

Resolved, That our delegates to the General Conference be instructed to use their influence to secure the fulfillment of this alleged contract.

Resolved, That we are in favor of continuing the itinerancy in the Methodist Episcopal Church as it now exists.

Fifth—That we, as members of this Lay Conference, are as much as ever in favor of our beloved Methodism, and hereby pledge ourselves to its encouragement and support.
